**Descriptions**

**Tattoo Requirements**

- Herd Letters** - Each breeder has assigned herd letters when they join the Association. Herd letters are a requirement in a tattoo. Please list your assigned herd letters in the designated box above. If you do not know your herd letters contact the Aberdeen Association before filling out and submitting the DNA form
- A number** - Every Aberdeen animal must have an assigned number as part of the tattoo. Please assign your animal the designated number before filling out and submitting the DNA form
- Year Letter** - Year letters in the tattoo designate what year the animal was born. Every Aberdeen animal must have a year letter as part of the tattoo. Please note the year letter before filling out and submitting the DNA form. Year letter codes are as follows: **2018 - F, 2017 - E, 2016 - D, 2015 - C**

DNA Parent Verification is not a replacement for good record keeping. Please keep good records regarding dam and sire and all other information relative to a registraton.
