This is it! What an opportunity for the American Aberdeen breed. This year the National American Aberdeen Sale will be in the “Limelight” in a brand new facility during the most active weekend of the National Western Stock Show. We will be at the National Western at the same time as the Charolais, Angus, Hereford, Simmental, Maine Anjou and Salers breeds. Of all years, this is the best year for us, as a breed, to put our best foot forward! This is the one sale for us to showcase and market our exclusive genetics, the very best of our breed.

The challenges of this year have allowed our Aberdeen cattle to demonstrate their natural ability to adapt and thrive where other breeds succumb to the unprecedented weather conditions. Most of you know Aberdeen cattle are truly among the most drought tolerant cattle in the world. As more new cattle producers become aware of the attributes of Aberdeen cattle, our breed and our herd book are poised for incredible growth. It’s time to expand and upscale your herd.

The National Sale is held, of course, as part of the action packed 4 days including the National Aberdeen Show, Annual Meeting and Banquet and is sponsored by the American Aberdeen Association. We are very pleased to be managing the National Sale this year.

The National Sale will be Sunday, January 16, 2022 at 2:00 PM in the brand new Wagner Equipment Sale Arena in the yards at the National Western Stock Show. The sale will follow the open National Female Show. We are now accepting entries for top-flight Aberdeen breeding stock. Sale cattle must be entered in the National Show and **must show**. At the discretion of the sale manager, a few exceptional additions from the National Show may be accepted into the sale. Enter your very best now to take advantage of sale promotion.

An online sale catalog will be posted to the AAA and Auction Effertz websites following the entry deadline and will be updated regularly. This will allow for the dissemination of accurate, timely sale information and will substantially reduce sale expense. Consignors are encouraged to advertise their entries in the Ledger. Videos, when available, of the sale cattle will be posted on the Auction Effertz website.

1. There will be a non-refundable \$200 per lot entry fee payable at the time of entry.
2. Sale expense for the National Sale will be 10% which will include National Western Stock Show sale fee, sale advertising, ring service, webcast, sale management, auctioneer, sale vet and 1% for the American Aberdeen Association. Transfer fees will be charged to the consignors.
3. If professional quality photos are submitted to Auction Effertz with the entry information, they will be used in the online catalog. Consignor ads featuring such photos are highly recommended in the winter issue of The Ledger.
4. All sale cattle must be entered in the National Western Aberdeen Show. The deadline for show entries is November 20, 2021. National Western show entry forms are available at
