Hit the Jackpot With Aberdeen Show Heifers!

American Aberdeen heifers make the perfect junior project – certainly more bang for your buck while providing an excellent project with many valuable learning and leadership opportunities for young people.

1. American Aberdeen heifers are smaller framed and weigh less, making it easier for the novice showman to handle.
2. American Aberdeen heifers cost less than many show heifers of other breeds.
3. American Aberdeen heifers eat about 30%-50% less than full-sized show heifers, leading to a savings of up to \$2,000 throughout her show career.
4. An American Aberdeen heifer will calve easily and breed back quickly, providing a junior project that's rewarding and satisfying and in harmony with mother nature.
5. Juniors learn responsibility and work ethic, hanging around like-minded kids.
6. The American Junior American Aberdeen Association provides plenty of leadership and mentorship opportunities, meeting friends from around the country.
7. It's fun!

EASTERN
Aberdeen Association
From the cropland..to the coastline

The East has large diversity amongst it's breeders. It is one of the best places for networking. There is always someone available to contact when a question arises.

There are two Eastern Aberdeen Association sponsored shows every year. The Big E and NAILE. You will find first time and seasoned exhibitors attending.

Many of our members have great knowledge of marketing beef. From farmers markets, direct sales and selling to restaurants.

We have a wonderful group of Juniors who participate in our shows. They are great role models for the younger generation.

Hollywood's Star!

Congratulations to Maris Biefelt for showing the Reserve Grand Champion Fullblood Heifer at the 2025 Junior Nationals. EZ Minelli 28M is a daughter of the National Champion, EZ Hollywood 29H, and out of a Boxcar dam.

EZ Hollywood 29H

His depth, natural muscling and first calves are spectacular. He is a true National Champion breeding bull. Semen available on Hollywood and 50 other registered Aberdeen sires – fullbloods and moderators, reds and blacks. Check out semen sales at www.effertzezranch.com.

Regular Online Sales

With over 200 registered Aberdeen cows on the ranch, consider us your source for herd starter packages, show heifers, bred females, bulls and semen. Watch for our online sales, held two or three times per year on SmartAuctions.co.

Visitors always welcome at the ranch!
